# Quotes

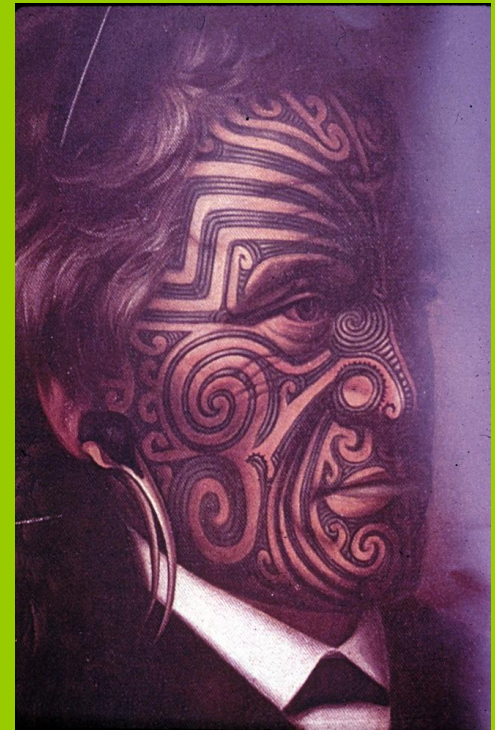

***Your necklace may break, the fau tree may burst, but my tattooing is indestructible. It is an everlasting gem that you will take into your grave.***

*Verse from a traditional tattoo artist's song*

# Quotes

***My mother said, "Oh, no, Manu. If God wanted you to have that, you would have been born with it." And I said to her, "Well, if God wanted you to have clothes, you would have been born with that as well."***
